If you are requesting Lifeline on the basis of your household income, please refer to the Estimated Income Requirements for a Household at or below the Federal Poverty Guidelines. You may find this chart, which is revised annually, on the United States Department of Health and Human Services, website at http://aspe.hhs.gov.

# Important Notes for Eligible Consumers Nationwide

Lifeline is available for SRT broadband service. One discount per household is allowed. Lifeline is a government benefit program, and consumers who willfully make false statements in order to obtain the benefit can be punished by fine or imprisonment or can be barred from the program.

# Important Notes for Eligible Consumers Living on Tribal Lands

Link-Up provides eligible consumers living on Tribal lands with a one-time discount of up to \$100 on the initial installation or activation of a wireless, landline or broadband service for the primary residence.

### **Minimum Service Standards**

Broadband — speed of 25x3 Mbps, and usage allowance to 1024 GB. If 25x3 Mbps is not offered, any generally available residential package that meets the minimum service standard qualifies for Lifeline.

# **Lifeline Support Level Phase-Down**

Lifeline support for landline telephones is no longer available per the FCC Phase Down. However, Broadband support remains at \$9.25, or until further notice.

# **How Can I Sign Up?**

The Federal Communications Commission (FCC) is now using a National Lifeline Eligibility Verifier to review an applicant's Lifeline eligibility. You can apply for Lifeline by visiting www.CheckLifeline.org by selecting your state in the drop down menu on that site. Once the National Verifier approves your application, contact SRT to activate your Lifeline benefits.

For more details, contact the FCC at 1-888-225-5322 voice, 1-888-835-5322 TTY, or by mail at FCC, 445 12th ST SW, Washington, DC 20554. You may also visit the FCC's website at www.fcc.gov and search for Lifeline.

# Is Lifeline the same as Affordable Connectivity Program (ACP)?

Lifeline is the FCC's permanent program to support affordable access to essential communications services such as broadband Internet access. The ACP is a new program designed to provide additional support to make broadband more affordable for certain low-income households.

# **ACP and Lifeline Are Separate Programs**

Customer may have one ACP and one Lifeline benefit per household. You Lifeline benefit and ACP can be combined and applied to the same service plan or applied to different service plans. You are not required to opt-in to the ACP, and you can continue to receive your Lifeline service without enrolling in the ACP. You may choose to take ACP benefits from a service provider other than your existing Lifeline provider.
