Important Notes for Eligible Consumers Nationwide

Lifeline is available for SRT broadband and phone service. One discount per household is allowed. Lifeline is a government benefit program, and consumers who willfully make false statements in order to obtain the benefit can be punished by fine or imprisonment or can be barred from the program.

Important Notes for Eligible Consumers Living on Tribal Lands - Enhanced Tribal Benefit

Low-income consumers on Tribal lands can receive a Lifeline discount of up to \$34.25 per month, and up to a \$100 reduction for first-time connection charges for Lifeline service at their primary residence.

Enhanced Monthly Support - Low-income consumers who qualify for enhanced Lifeline support can receive a discount of up to \$25 per month in addition to the standard federal benefit of up to \$9.25 if they live on Tribal lands.

Tribal Link Up - Link Up provides a 100% reduction (up to \$100) of the charge for starting telecommunications service at a Tribal Lifeline subscriber's primary residence. Link Up is available to subscribers who reside on Tribal lands and is a one-time benefit per address; subscribers can request Link Up once for each change of primary residential address.

For service initiation charges of up to \$200, Link Up also provides a deferred, no-interest payment plan to the subscriber for up to one year.

Minimum Service Standards

Broadband – speed of 25x3 Mbps, and usage allowance to 1024 GB. If 25x3 Mbps is not offered, any generally available residential package that meets the minimum service standard qualifies for Lifeline.

Two Steps to Get Lifeline

Qualify - Apply now to confirm you qualify for the Lifeline program. You may be eligible to get Lifeline based on your income or participation in a government assistance program.

Sign Up to Get Lifeline - After you qualify, choose a phone or internet company near you and sign up for service with them. You can also ask your current company to apply your Lifeline benefit to a service you are already getting.
